

Index

The following indexes the *Daily Christian Advocate*, Advance Edition, volumes 1, 2 and 3, and the *Daily Christian Advocate*, Daily Report, volume 4, of the 2000 *General Conference Journal*. Since the petitions and calendar items are not printed in their entirety, the indexed subject might not be immediately apparent. Also, the headings might be misleading. The user will find it helpful to consult the appropriate paragraph in the 1996 *Book of Discipline* for petitions requesting disciplinary changes and, for calendar items, the petitions to which they refer.
